## Overview

WOW, this impeccable home will absolutely amaze you! Featuring timber frame construction and built in 2005, you will fall in love with the open concept, vaulted ceilings, high end finishes, and so much more! With over 5000 sq ft of living space, you will find 4 bedrooms, office/den (could be a 5th bedroom), 4 baths, and 4 plus car garage. The large great room, kitchen, informal dining and family room gives you ample space for all your family gatherings. Main floor laundry room and walk out sliders in the great room to the upper deck. The primary ensuite offers a 15x18 bedroom, large walk-in closet with bay window and bench, and private bath with jetted tub, walk-in shower, and dual sided fireplace. The basement has 3 nice sized bedrooms, full bath, an enormous storage room, plus a sunken rec room with 12 ft ceiling, fireplace and walk out to patio. Geothermal, in floor heat in some areas of the home, heated garage with indoor doghouse and access to outside dog run. Schedule your private tour today!
