Overview

This stunning 4-bedroom, 2.5-bath home, currently under construction, will soon be ready for its first homeowners! The Brooklyn Model by Greenworth is perfect for your family, offering an open layout with a host of desirable features. Highlights include convenient second-floor laundry, a spacious 3-car garage, and an inviting open floor plan that enhances the sense of space and light throughout the home. The lot is situated in an established part of Penn National and is tree-lined, providing a serene and picturesque setting. Penn National is renowned for its amenities, featuring two nationally-recognized golf courses, walking trails, swimming, tennis, and pickleball facilities. Don't miss the opportunity to see this beautiful home. Schedule a showing today and discover everything it has to offer!
