Overview

Adorable 2 bed 1 1/2 bath bungalow in the quiet town of Little River. This little gem would be perfect for first times home buyers or someone that is ready to downsize. Freshly updated with improvements like new waterproof LVP flooring throughout, fresh modern coat of paint and updated lighting. Outside was painted and new guttering installed in 2022. The main floor bathroom received a full makeover that includes a walk-in shower was also done in 2022. Class 4 impact-resistant shingles, offering peace of mind and potential insurance savings. The bedrooms are good sized, with Master bedroom featuring 2 closets, one being a walk in with built in shelving. This house is full of storage option, including a 550 sq ft basement area complete with shelves. Charming covered front porch and covered deck in the back. Plenty of space in the back yard to add a garage with alley access.
