Overview

Welcome to your new construction rambler with Over 1800 finished square feet! This home includes spacious main level living with a completely finished walkout basement. Enjoy your morning coffee cozy by the living room fireplace, or host gatherings in your kitchen with large center island, great for entertaining. The primary bedroom offers his and hers closets and a walk-in shower with glass door. Two additional bedrooms and full bath on the main level are perfect for guests. Enjoy the easy to maintain LVP flooring throughout the main level and tile in the bathrooms! This energy efficient home includes a bonus room over the garage, ideal for an office, playroom or extra storage! The walkout basement is unfinished and includes a great opportunity to build equity. The oversized two stall garage is car charger ready for your electric vehicle. Experience beautiful, energy efficient and functional design in a super convenient location. Your hunt for the perfect home is over!
