Overview

Several secluded places have been broke open recently and this one is my childhood favorite! Our family's land bordered the back part of what we called, "The Bluffs." Just across from here is where we used to sneak across, so I know every inch of this place, formerly the Rich Homestead. The first section was broke as city lots, but finally to the back, it was worth the wait! Every 5 acre lot is different, with some backing up to a series of bluffs and creeks; some are grass with woods as the back border; and some are solid woods. Perfectly placed off the prettiest ridge I have seen. Min. of 1,500 fin. sq. ft., no lagoons, private road, county water, Ameren Electric plus Callabyte High-Speed Internet. Put your hiking boots on and let me show you "The Bluffs" (without sneaking in this time)
