PARADISE FOUND: the ultimate Nantucket compound awaits you at 30 Devon! Affectionately known as The Dips this island sanctuary is a magnificent place of peace where you can rest, reflect and recharge in the lap of luxury. A private hideaway, situated on 3.7-acres, The Dips comes with unobstructed ocean views and abuts Conservation Land. The first of its kind and masterfully crafted, The Dips is a state of the art retreat. The compound boasts a seven-bedroom Main House (The Big Dip) and five-bedroom Guest House (The Little Dip) All twelve bedrooms are ensuite and there is an additional studio above the garage. The interiors of The Dips have been stylishly curated with a focus around modern sophistication and minimalism. The Main House has a separate office, media room, full gym and six person sauna. The full estate can easily sleep 30 and offers many spaces to gather and entertain. With lavish Ipe decking, the Main House and Guest House each have their own separate outdoor sanctuary. These areas offer guests numerous experiences: from lounging poolside to conversing at the fire-pit to al fresco dining under the pergola.
