Overview

There are countless reasons to adore this charming one-bedroom home located in an all-age, pet-friendly community. Completely gutted and updated six years ago, it features new floors, ceilings, and insulation behind all the walls. The kitchen and bathroom have new sinks, kitchen cabinets, and appliances. The exterior boasts a new roof, skirting, and two front windows. With 90% of the electrical work and lighting replaced, as well as 50% of the plumbing, this home is in excellent condition. A brand-new furnace was installed four years ago. Filled with natural light, it offers ample storage space and a spacious yet cozy atmosphere throughout. The home includes appliances, including a new one unit washer/dryer. The home comes with two parking spaces and a small storage shed. Conveniently located with quick access to Rte. 9, Rte. 20, Rte. 85, Rte. 135, 290, and 495, this mobile home is move-in ready! Call today to schedule your preview!
