Overview

Opportunity knocks in Elk Ridge Heights! Build your dream home in this exclusive, highly desired, gated community in Spokane Valley. Bring your builder. Current owners had a vision to build a single story Lexar home looking out over the top of the current homes and soaking in the views of the beautiful mountains and valley. Imagine a staircase out back, leading to the elevated area and a covered pergola for entertaining. Off the back of the home, a covered patio with an outdoor kitchen and fireplace. Such a peaceful setting that could also be an entertainer's dream. Opportunities like this don't come along often in this community so don't wait!
