Overview

Don't miss this updated home in a small town setting, offering both modern amenities and a cozy atmosphere with a cabin feel. This home features three bedrooms and three full baths, with a comfortable and spacious living arrangement. The main floor has a large bedroom and master bath, new kitchen and countertops and appliances. Extra counter space that can drop down to make even more space. It also features open living area with french doors leading to a deck and the backyard. This allows for a great connection between indoor and outdoor spaces, providing an area for relaxation or entertaining. The main floor laundry is also a bonus. The Basement features 2 additional bedrooms and bath. Nothing in this home has gone untouched for updating. The presence of a two-stall detached garage is a practical addition, providing parking space and potential storage. Living close to a park adds to the appeal, offering recreational opportunities and a natural environment for residents to enjoy.
