## Overview

Beautiful year round Williams Creek property, roomy home with super spacious family/living room. Split floor plan, very generous sized primary bedroom with shower. Lovely open kitchen with plenty of room for food prep. Added plus is an island counter with wonderful storage underneath and attached counter for dining. The oversized garage has room for cars, toys and shop space. Another oversized detached 2 car garage sits near the home for more storage. The property has a park-like feel on your way to the creek running all along the back of the property. Other out buildings includes one for wood storage. Added plus are an asphalt driveway, 2 wells, woodstove and more to discover. Fresh Paint, new flooring make this home move-in-able now. Come take a peek.
