Overview

Enjoy serenity and seclusion in this wooded cabin-like Cute N' Cozy single wide overlooking the forest right off your year round covered back deck. Several thoughtful updates including a newer roof and brand new carpet make the home turn-key and move-in ready. Giant cedar wooden deck recently replaced. Home warranty included paid for by seller! The 18x11 garage is able to fit a smaller single car, and there is also an attached 8x18 workshop for all your toys and hobbies. Come and make an offer on one of the more affordable homes in this beautiful desirable community of Big Valley Woods.
