Overview

Located on O'Keefe Creek Boulevard, this pre-engineered two-acre parcel synthesizes serene country living with the convenience of nearby city amenities. Bring your builder and develop your dream home, with southeastern-facing views, perfect for a walkout-basement or upstairs balcony. DEQ approval is already in place for septic and a well, along with an allocation for 10, 000SF of irrigated landscaping. Reap the benefits of living on a county-maintained road while living amongst the rolling hills northwest of Missoula. Adjacent parcel to the south is also available for purchase!
