Overview

Striking, picture perfect waterfront home on exclusive Poppasquash Neck. As they say Save the Best for Last this home is part of a private community and rests on the last waterfront 4 acre parcel on Courageous Circle. Serene and private with a sprawling lawn that leads you down to your own private beach to relax and put your feet in the water or read a good book! Features a Clive Christian designed kitchen, and a primary suite on the first level with a study and access to the porch on the water view side. The second level has two additional bedrooms with French doors in each room leading to a deck with panoramic views of Narragansett Bay. Two dedicated rooms for storage and a full bathroom concludes the upstairs area. Floor to ceiling windows, patio and decks to enjoy watching the boats sail by and lets not forget the spectacular sunsets! A three car garage and lower level that expands the entire width of the house allows for plenty of storage, a hobby room and an exercise room. Just a short drive along the coast of Bristol Harbor will lead you into the quaint historic town center to stroll, shop, or dine in the local cafes and restaurants. Additional photographs to come.
