## Overview

Great close in location just blocks to downtown Ashland and all the Plaza has to offer. Enjoy Lithia Park, stores and restaurants, yummy desserts and roasted coffee. This artistic home is tucked away on a quiet street. Mature shrubbery provides a lush privacy screen as you enter. Open design combines the living room, dining and kitchen with nice spaces and large dining bar. Many delightful features include new skylight installed in the living room, Bamboo flooring, slate entry and fireplace hearth, vaulted open beam ceiling, slate flooring in dining room and kitchen, kitchen has expansive counters and dual sinks for easy meal prep. Primary suite and 2nd bedroom and bathroom on main level. Primary suite bath has large shower and white vanity. Upper level features a 3rd bedroom with private balcony and closet at entry to stairs. New minisplit heating and air systems. Nice sized rear yard with detached shop/office. Excellent location.
