## Overview

+/- 5 acres located in Fernwood Estates Subdivision across the road from Fernwood Country Club Golf Course. Property has water frontage on a small lake and is surrounded by nice beautiful homes. This is your opportunity to live in one of SW MS's premier locations and not spend a fortune to do so. Property is gently rolling and mostly open with scattered trees. Several different areas to choose from and additional acreage is available. The land for sale is located just minutes from I-55 and is located just south of McComb MS. Community water is available and sewer is available in some areas.
