Overview

Welcome to 216 W 9th Street! No stone has been left unturned in this stunning renovation located in the heart of Wilmington's Central Business District. This luxurious building offers six units, ready for you to make it your home! . Each one bedroom, one bathroom unit features a custom kitchen with stunning waterfall countertops, spotless white cabinetry, custom tile backsplash and stainless steel appliances. All units consist of an open-concept living and kitchen area and have large windows with city views, recessed lighting and crisp neutral paint. Continue into the magnificent bathroom that has been renovated to include a shower/tub combo with custom tile and a large vanity. All units come with a new full sized washer and dryer. The nicely appointed bedroom is stunning with oversized windows and expansive closet space. All units feature Smart Access Latch entry. Located steps from dining, shopping and I-95. Units are available now. Schedule your tour today! Please note the photos included in this listing are meant to illustrate the overall look and feel of the apartment. Actual floor plan may differ based on unit availability.
