Overview

Classic three-bedroom, two-bathroom home with a detached two-room office, situated on over half an acre in a convenient location. Step inside to find a charming wood-burning fireplace in the cozy den, perfect for relaxing evenings. The eat-in kitchen features a gas stove, while the spacious master bedroom boasts an en suite bath and walk-in closet. Choose between a formal dining area or a second living room for entertaining. Outside, you'll find a six-car carport with storage, a workshop with a wood-burning stove, and a custom rock back patio for outdoor enjoyment. The roof and HVAC system are just two years old, and two of the three hot water heaters have been recently replaced. This home exudes potential and character, offering a unique opportunity for the discerning buyer.
