Overview

Wonderful property with GORGEOUS little CASCADING WATERFALLS running across it with frontage on Left Fork Run Road, Melton Branch Road, and Monroe Garland Road. Enjoy views of Mt. Mitchell, Green Mountain, and Roan Mountain perched at 3200 feet high. On this lot you will find two creeks and a spring with breathtaking Left Fork Beans Creek running along the side of this property. A road and small build site or camping area have already been roughed into the lower portion of the parcel and an additional building site is located at the top of the parcel. Use the bottom portion of the property for the most tranquil outdoor oasis you can imagine and the top part to build your homes with views. Spend some time on the nearby Appalachian Trail and the Blue Ridge Parkway. Relax on the water while tubing or kayaking on the Toe River. There's plenty to do in the area. Come home to Shootout Mountain and enjoy the pavilion, pond, trails, and annual picnic.
