## Overview

Acreage! Pool! Tons of space! This 4BR 3.5BA home features easy commuting access, close proximity to schools, and it is newly remodeled on the inside. This Peculiar home is a must see! All new flooring and paint throughout. Kitchen has new counter tops, updated cabinetry, and all new appliances that will stay with the home. Spacious living areas and bedrooms with tons of natural light throughout the entire home. Walkout basement and sub basement are finished for even more living space featuring additional living room/ bedroom/ half and full bath. Kitchen/ dining area walk out to newer all weather deck that overlooks large lot and inground swimming pool!
