Overview

Recently updated Mountain Vista END UNIT townhome, offering 2000 square feet of living space over two levels. Conveniently located just off the access road, only a couple of minutes to the base lodges or Sunday River Country Club. First floor primary suite, open living/kitchen/sunroom and two generously sized bedrooms and full bath upstairs. Attached garage ensures an easy trip to the slopes in the morning and enjoy apres ski in your own private hot tub! Updates include all new flooring, kitchen cabinetry and countertops, primary vanity and countertop, all fresh paint and the boilers was also recently replaced. This is not to be missed!
