Overview

Move-in ready home in a prime location, just minutes from 190, 30, shopping, restaurants, and more! This exceptional floor plan features the primary bedroom and an office on the first level, with three additional bedrooms, two baths (one ensuite), and a huge game room upstairs. The private primary bedroom offers serene views of the backyard and greenbelt, and the luxurious primary bath boasts separate vanities, a shower, tub, and a large walk-in closet. The spacious kitchen is a chef's dream with granite countertops, bar seating, abundant storage and opens to the Family Room and Breakfast nook. The family room has high ceilings, wood laminate floors and a fireplace. Wood Laminate floors thru the majority of the first level. The office features French Glass doors and overlooks the front yard. Enjoy the private backyard with an extended patio perfect for relaxation, overlooking stunning greenbelt views. Plus, the home features new carpet, adding a fresh touch.
