Overview

Grand 4 years young home is packed with custom features and details! 5 bedrooms PLUS bonus room, 4 bathrooms, 3 car garage on a large .34 acre corner lot that also has a large in ground heated pool and hot tub with pebble tech liner, cool deck pavement coating, water features, and wifi app capability. Exposed brick, travertine, and wood beam accents throughout. Detailed wood working with custom mantelpiece, cased windows, hall cubbies, and custom cabinets. See the 3D walk through to discover 2 bedrooms down, 3 bedrooms + bonus up. Kitchen has gas luxury brand cooktop, double wall ovens, and walk in pantry. The owner's suite is massive with space for a king + seating furniture. The owner's bathroom features dual shower head walk-in shower, separate jetted tub, separate vanities, and large walk-in closet with built in drawers. It also has access to the laundry room which contains storage and sink. Don't miss your chance to own a custom home in one of Lumberton's most desired neighborhoods!
