## Overview

This spacious 3 bedroom, 2 full bath ranch boasts a large 2 car heated garage with front and rear overhead doors. Enjoy the inground pool, hot tub, and pool house in the fenced backyard, perfect for entertaining. A sunroom overlooking the backyard floods with natural light, while the cozy living room features an electric fireplace. Central air ensures comfort year-round. Delight in the spacious primary bedroom suite. The full basement is plumbed for an additional bathroom. Relax on the covered front porch and savor the charm and comfort this single floor living home offers.
