Overview

Looking for your little piece of paradise? These ranchettes are perfect for building your dream home and a short drive from Sam's, HEB, restaurants, and just about everything, all while being outside the city limits. These tracts have great views, already partially cleared, and utilities available for every tract!!! The wildlife is abundant and include, deer, turkey, fox, and numerous other animals. Want to go fish at Twin Buttes Lake or go for a trail ride on your bike or utv? Then this is the place as it is just a quick trip away. Check out the pictures and call for a showing today!!
