Overview

Introducing River Trails - Houghton's newest premium residential building site development. Nestled along the banks of the Pilgrim River and adjacent to the Nara Trails of the Michigan Tech Trails System. MTU trail access is direct from several of the lots and from both Applewood Dr. and River Trails Rd. Quiet country living in a pristine environment only a couple of miles from Houghton. Over 30 acres of open space within the development includes over a half mile of riverfront and several trail corridors for proposed trails with River Trails. High quality outdoor activities surround your future dream home. The possibilities are many here. Lot 7E has direct river access and parts of the lot overlook a vast river flood plain and wetland upstream from the riverfront. A nature lover's paradise.
