Overview

COUNTRY ESCAPE ON 4.3 MOL ACRES! Schedule your showing today to call this 1 1/2 story, 3 bedroom, 2.5 bath with a very desirable 3+ car heated garage house, HOME! The surrounding acreage is in a conservation program, which means that you do not have to worry about any future developments. You simply get to enjoy the VIEWS! The main floor is spacious with an open feel featuring a kitchen loaded with gorgeous cabinets, stainless steel appliances and granite counters. Main floor laundry conveniently located near the master bedroom that has ample closet space. Master bath has tiled floors and walk in shower. Dining room is open to the kitchen and there is a large desk area for an office. Sunroom has exceptional views of the property and is a great space for entertaining along with the large deck. Upstairs you will find 2 bedrooms and additional full bath. Added bonuses for country living are the Kohler generator and additional storage building. Call for your showing today!
