Overview

His charming 2-bedroom, 1-bath home boasts an open floor plan and has been recently upgraded with new windows, an insulation package, and a Mini-Split System for both AC and heating. The property includes a garage, a barn, and an old mobile home that can be used for storage. With over 2 acres of fenced and gated land, there is plenty of room for your ideas and projects. The front of the property is adorned with nice trees, adding to its appeal. Please note that cash-only offers are accepted due to the age of the home.
