Overview

Would you like to build your dream home on the top of a mountain? This cozy home is your gateway to your dream house. One bedroom, one bath, open great room with a surprisingly roomy kitchen. Fantastic Views of the West Valley from your covered porch, oversize garage and large well-built storage shed round out the lower portion of this 2 acre property. Up the path to the top of the hill where spectacular views of the NE and SW valleys await you, and the perfect opportunity for that one-of-a-kind home.
