Overview

Experience the epitome of modern luxury living in this new build townhome nestled in Downtown Superior. Boasting 3 bedrooms, 3.5 bathrooms, and an array of upscale features, this home offers a seamless blend of elegance and comfort. The open floorplan and soaring ceilings create a spacious ambiance, while the rooftop deck showcases panoramic views of the Flatirons and Front Range, providing an idyllic setting for outdoor gatherings and relaxation. With Remington's design process, you'll have the opportunity to partner with a personal designer to craft your perfect home. From selecting finishes to designing layout options, this is your chance to create a space that truly reflects your style and preferences. Situated in a vibrant community with easy access to dining, fitness, and outdoor activities, this townhome offers the perfect combination of convenience and serenity. Don't miss the opportunity to elevate your lifestyle in this exquisite Downtown Superior residence. Interior photos are from a similar floorplan built in Downtown Superior. Pricing reflects design center and preferred lender incentive, see sales team for more information. Photos are of similar floorplan built by Remington Homes in community. Interior selections can still be selected by buyer.
