Overview

Shovel-Ready Residential Lot in Detroit's Northend Discover an exceptional investment opportunity in the heart of Detroit's vibrant Northend neighborhood! This expansive residential lot, located at 515 E Euclid, consists of two combined parcels with all city approvals in place, ready for immediate development. The site is primed for up to 8 attached units, offering a fantastic opportunity for developers or investors looking to build a contemporary multi-family residence. This shovel-ready project is perfectly situated in a rapidly revitalizing area, offering convenient access to local amenities, public transportation, and major thoroughfares. Whether you're looking to develop modern townhomes, chic apartments, or upscale condominiums, this lot provides the perfect canvas to bring your vision to life. Take advantage of this rare chance to contribute to the dynamic growth of Detroit's Northend and create a desirable living space in a thriving community. Don't miss out on this ready-to-go project!
