Overview

Don't miss your opportunity to own this large house in a private neighborhood! You immediately notice all the space as you enter into the welcoming entryway with tile flooring. You'll walk into the spacious living room with hardwood floors that moves seamlessly into the dining room and kitchen. Outside, in the fully fenced yard, you'll notice tons of space, a storage shed, and large above ground pool - everything you need to entertain! Upstairs are 4 bedrooms - one over the garage can be used as a large bedroom, a bonus, room, or anything you need! The master bedroom has an ensuite complete with double sinks and plenty of storage. Other updates include: Water heater (2019) and roof (2023).
