Overview

Welcome to this breathtaking 8.964-acre vacant lot is ideally situated just north of Townsend, offering unparalleled views of Canyon Ferry Lake and the majestic mountains on both sides. Imagine building your dream home here, with a perfect spot overlooking the serene waters of Canyon Ferry Lake. This property is not just a blank canvas; it's an opportunity to create a lifestyle. Whether you envision a peaceful retreat, a family home, or a development project, the possibilities are endless. Convenience meets potential with an existing commercial shop fronting US Highway 12, adding incredible value and versatility to the property. This location combines expansive natural beauty with easy access to nearby amenities. Don't miss out on this unique opportunity to own a piece of Montana's stunning landscape.
