Overview

As the owner of 240 Wamisco Road, you'll face a delightful dilemma each day: "Which beach shall I visit today?" With four options just a stone's throw away, including two Massasoit Hills deeded association beaches, you can rotate amongst them to enjoy different perspectives of the water. After a peaceful and relaxing time by the shore, meander back along the dirt road, evoking memories of simpler days. Rinse off in the outdoor shower, then spend some time on the screened porch, which offers an additional 200 square feet of living space and a wonderful spot to watch wildlife, breathe in the salt air, and partake in a card game or two. The home sits on nearly an acre of land, providing ample space for you to shape its future to your liking, including the possibility of expanding to a four-bedroom home. Alternatively, you can simply enjoy the home as it is, with the peace of mind that major updates such as siding, windows, roof, and heating system have already been taken care of. Every home has a story; if you have been searching for a peaceful haven by the water that exudes tranquility and serenity, after a beloved 55 years, 240 Wamisco is now ready for its next chapter.
