Overview

This home is in like new condition after a major remodel in 2021. Significant features of the remodel include: a new roof, all new windows, all new flooring, a new central HVAC system with all new ductwork, and the addition of a 2-car carport. The home was also leveled. The kitchen was updated as well as a large utility/laundry room. The house has been completely repainted, both interior and exterior. There is an outdoor storage room off of the carport and a 12'x24' shop that will convey. This charming home and its pristine exterior are calling you to your next chapter!
