## Overview

Say hello to a good buy for this 5BR+office, 3 full bath, beauty in a wonderful John Hersey High School neighborhood! This lovely two story home, being offered by the second owners, offers a great floorplan for a large family! With approximately 2500sf of finished living space, you are welcomed thru a glass paneled front door, into a foyer with big closet and direct access to the garage. The upper level features a light and open LR and DR, with double sliders to awesome 25 x 14 deck that overlooks a huge fenced backyard! Double entrance kitchen makes entertaining easy and there is hardwood under all carpet (probably in perfect condition as there's been carpet since owners moved in)! You will find three bedrooms on this level, including a main BR with double closets and full bath, and another hall bathroom with double sink vanity and tub! Lower level, with newer LVP flooring, includes large family room with sliders/walk out to patio/yard, two more bedrooms, an office (no closet), another full bath and a utility room with washer, dryer, sink, laundry chute and lots of storage! Long concrete driveway, oversized 2 car garage, with bonus work/storage area, and door to backyard! Deep 131' lot that is located on a pretty street and has easy access in and out of the subdivision! Close to D26 schools, Sycamore Park, with playground, tennis and walking path, River Trails Park District community pool, Randhurst Mall and Rob Roy Golf Course! Property is being

offered as-is and professional photos coming!
