Overview

One of a kind home! Spectacular Hershey Home located on Elm Avenue and on a double lot. The curb appeal and upgrades throughout the home are sure to impress the most discriminating buyer. The gourmet kitchen has a wall of windows overlooking the professionally manicured backyard. The island boasts leathered granite, storage and plenty of seating- ideal for entertaining. The chef in the family will appreciate the gas cooktop, double ovens, two dishwashers and a Sub Zero Refrigerator. Talk about a pantry!!! The walk-in pantry has a second refrigerator and custom cabinetry throughout- incredible storage. The beverage center with a wet bar and two beverage refrigerators will make entertaining a breeze. The spacious family room with built-in shelves will be an ideal space to gather and watch the big game by the cozy gas fireplace. Enjoy holiday meals in the formal dining room with a second gas fireplace. The stunning mudroom has mahogany built-in shelves, a sliding ladder and 13 foot ceilings. Not a bad place to leave your backpack. Retire to the first level primary bedroom with a vaulted ceiling and dual closets that have enough space to please just about any shopper. The ensuite has heated floors- even in the shower and a soaking, tub- an ideal spot to relax. Laundry will not be a chore in a laundry room as beautiful as this one- leathered granite countertops

and a fold out iron are sure to please. The half bath is stunning with a custom vanity and tile floors and upgraded lighting. The second level offers another large bedroom that could be used as the primary bedroom. There are beautiful plantation shutters, built-ins and ensuite with dual sinks and a tile walk-in shower. The third bedroom could also be used as an office/den. It's a bright space with access to the second level porch , another full bath and a walk-in closet. The fourth bedroom would be a great space for guests and the third full bath has a tub shower. There is a second laundry room conveniently located on this level. Kids of all ages will love the third level- use the space for hanging out, crafts for hobbies. The lower level is partially finished- a great spot for a recreation room. Store holiday items and seasonal decor in the unfinished portion- So Much Storage. The attached two car garage will save you from scraping ice and snow from your vehicles and the detached garage could be a great workout area. If you enjoy outdoor living- this will be a Must See- mature landscaping provides privacy while the double lot provides loads of space for hosting friends and family. The back patio is ideal for a barbecue or reading a good book. The location cannot be beat-less than 2 miles to Hershey Medical Center, walk to school, the new recreation center, in-town restaurants and shops AND watch holiday parades from your front yard!
