## Overview

Stunning large custom colonial on a private 3 acre lot! Countless high end upgrades have been done to give this home a luxurious look and feel. The main floor has a great flow to it that is perfect for entertaining as well as everyday living. Large windows that let in great natural light, a chef's kitchen with high end appliances and a large walk in pantry and a wood burning fireplace that is perfect to cozy up to on cooler winter nights. The 2nd floor boasts 4 large bedrooms (3 of which have walk in closets) a laundry room, a main bathroom as well as a primary suite that has a custom spa like bathroom with a whirlpool tub, double vanity sinks and a oversized tiled shower! The finished basement is the icing on the cake with over 1000 sq ft of additional living space that can be used for so many options to suit you needs and even includes a full renovated bathroom as well! Outside you'll retreat on your oversized covered wrap around porch or your back deck overlooking you private back yard. Enjoy taking laps in your swim spa or relax in your hot tub! Showings begin on 8/2 for the first open houses Friday 5-6:30 as well as Saturday 12-2!
