Overview

Looking for luxury? Look no further! This stunning, newly built home has panoramic unobstructed ocean views on a concrete stilt foundation! Every inch of this open-floor plan home has been custom designed, featuring wood plank flooring, modern matte fixtures, black stainless railings and a stunning gas fireplace. Entertainers will love the flow of the open kitchen, living and dining room, with 12-foot double glass sliders leading to a 30ft composite deck overlooking the ocean! Enjoy year-round beach living with a public beach at the end of the street and water views from almost every room in the house! You'll have plenty of options with a 1st level bedroom and full bath, plus 3-4 beds and 2 full baths on the 2nd floor. Outside, you'll have plenty of parking in the herringbone paver driveway and oversized, insulated, temperature controlled, 2-4 stall garage with walls that open in the event of a flood! Double lot, freshly installed sod. The owner is a licensed real estate broker.
