Overview

Great potential and an abundance of space in this 3-bedroom home with 4 car garage. Features include luxury vinyl plank flooring, spacious living room, formal dining room, kitchen with plenty of cabinets, deep sink, newer back splash, refrigerator, stovetop and built in oven. Additional back room off kitchen for storage or mud room. Three nice sized bedrooms. Full basement with large shower and toilet. Water heater (2023). The back yard has a fenced garden area and there is a huge 4 car tandem garage with overhead garage door. Don't miss this opportunity.
