Overview

Remodeled 3 or 4BR/2BA home with over 6 acres of land. Hardwood floors with carpet in the bedrooms and tile in the bathrooms. Kitchen has granite counter tops, eat in area, and access to the back deck. The laundry room is off of the kitchen. Bathrooms have all new vanities, tiled tub surrounds and floors. There is a large den as well. Several storage buildings, new roof, water heater and circular driveway complete this home.
