Overview

Newly updated 4-bedroom home on a pleasing 1.25 +/- acre parcel. The 2005 addition provides a spacious ground floor bedroom with ensuite and direct access to a deck. Recent updates (such as flooring, heating, metal roofing and even septic) make the home more enjoyable while giving the new owner a reasonable expectation of saving money over the coming years. Ample space for cars, storage, and workshops with both an attached 2-car garage AND a 24x36 ft detached garage (with an unfinished 2nd floor). And, even more space in the barn. Close to amenities with a neighborhood setting! Perfect for those seeking a turnkey home with ample yard space.
