Overview

Truly one in a million retreat-like property minutes from Columbia Gorge Scenic Area and perched on 10 wooded acres with a truly jaw dropping view of Silver Star Mountain, Larch and Mt. Adams. This thoughtfully designed one level living home captures these stunning vistas from every northern-facing window, including the kitchen, living area, and primary bedroom.. Bamboo flooring and new carpet throughout with two spacious living rooms that are perfect for relaxation and entertaining. The updated kitchen offers an open concept design with built-in appliances and ample pantry storage, making it the heart of the home that you won't want to leave. The primary bedroom is a serene sanctuary, offering generous space, dual closets, and an attached office space, all with sweeping territorial views that inspire tranquility. Imagine waking up each morning to the beauty of nature just outside your window. The outdoor space is equally impressive, with a back deck that is destined to be your summer hangout spot. Adjacent to the deck is a prime fire pit area, where countless family memories have been made roasting weenies and enjoying the great outdoors. For those needing extra storage, the 200 amp 30 x 50 pole barn is a dream come true. It includes an attached one-bedroom ADU, designed to feel like a cozy cabin retreat in the woods. With RV hookups, brand new

exterior paint, and a host of other amenities, this home has been lovingly maintained by its original owner and is ready to offer you all the joys that life can bring. This is not just a home; its a lifestyle. Whether youre looking for a peaceful retreat, a place to entertain, or a property with room for all your hobbies and storage needs, this gem is truly one in a million. Dont miss the chance to make this breathtaking property your own and experience the unparalleled beauty and tranquility it offers.
