Overview

OPEN HOUSE, SATURDAY, AUGUST 10AM to Noon. Look no further for your next home. Home is situated in the City of Wyandotte, a couple of blocks from downtown and all it has to offer. Relax on the full front porch. Updates in the past 3 months included painted exterior, recoated front entrance, new railings on front steps, sod in backyard, enclosed stairway to basement, electrical updates and more. Home is wheelchair accessible to the main floor. The living room, dining room with loads of natural sunlight from the bay window, kitchen, full bath and 2 bedrooms complete the first floor. One of the bedrooms currently has a stackable washer and dryer that remain. The second floor bonus/craft room/storage has cabinetry with new Formica top. Need a home office? You have it here on the upper level. This room could be converted to a 4th bedroom, there's a closet in the hallway. Exterior access to the basement and the upper level. Don't care of yardwork? It's minimal here, more time to enjoy your home and other activities. Home has been deep cleaned and is ready for the new owner.
