Overview

This is an amazing opportunity for the savvy business owner! Located in a prime spot directly off a busy intersection, zoned B-5, this nearly 1-acre commercial lot is ready to be developed into your perfect business venture. The lot has been cleared and features curbs and a driveway, ready for construction immediately. Plus, all utilities are available immediately, so you can start planning your next great project without delay. Don't miss out on this incredible chance to get the perfect property for your next big move!
