Overview

2/1 Open and airy, with a layout that maximizes natural light. The decor includes light, and neutral colors. The kitchen is updated with modern appliances, open to the living and dining areas to keep the space connected and inviting. Two cozy bedrooms, which might be simply furnished but comfortable. Bathroom: One full bath with combination of shower and tub. Overall, a 2/1 home by the beach is likely designed for relaxed, coastal living, offering a charming retreat with easy access to the ocean and a comfortable, laid-back interior. Great amenities include 2 pools, golf course, tennis, pool hall, craft room. Gated community. 5 minutes from the beach. Step outside and watch Space X Launches.
