## Overview

Beautiful Bi-level-updated throughout with a stunning 700+ sq.ft. overlooking serene lot. Lower level features lovely rec room/family room with full bath. All neutral and newer appliances. Public records state this is a 1 story house but I believe it is 1.5 since fully finished lower level. Enjoy the wonderful amenities that Aurora Shores has to offer including pools, playgrounds, tennis/pickleball courts and more. There is a rentable banquet room near the Marina. Don't miss this move-in ready gen.
