Overview

Farmhouse on 3 ACRES! You dont find this much acreage west of I-196 very often. This 5 Bedroom, 2 Bath Farmhouse has had some updating over the past two years to make it a successful short term rental. New flooring, updated main floor bathroom and updates to kitchen. The open and unique layout of the house includes a living, dining and bar area surrounding a fireplace. A bedroom , full bath, screened porch, a large and open kitchen, and a mudroom with built-in lockers complete the main floor. Two stairwells lead to the second floor which includes four more bedrooms and a bath. This property boasts mature trees surrounding the farmhouse, while the outbuilding is located behind the house in the woods. This property has so much potential for continued income generation, updating for the perfect getaway or potential development of the 3 acres. See it today! Active Short Term Rental, appointments required for showings
