Overview

Don't judge a book by its cover. You will be amazed at the amount of space in this six bedroom, 2.5 bath home located just two blocks from beautiful Ervin Park! The home boasts large rooms and plenty of family space. A large front room attaches to the dining area. Around the corner is a spacious family room, complete with wood burning fireplace, and a roomy kitchen big enough for multiple chefs at the same time making it perfect for family gatherings. There are three bedrooms, including one with a half bath, and a full bath on the main level along with an office and laundry. Upstairs are three additional bedrooms and a full bath. The basement has provided years of great family time as well, but also provides fantastic storage. The attached two car garage has room for two vehicles and some work space. Add in a new roof in 2024, updated plumbing and a 200 amp service and it adds up to a great family home. Watch for more photos soon! Please note taxes are based on over 4400 square feet living space. taxes may be challenged with appraisal and should be adjusted.
