Overview

This 2 bedroom, 1 bath lakefront home offers stunning maritime scenery with Lake Huron glistening under the sun, a lighthouse standing along the coastline and dotting the horizon majestic freighters completing their journey. A third guest and game room is also part of this home, perfect for the smaller humans to inhabit. The home has been recently updated with new flooring throughout, drywall/paint, the addition of three closets, siding/trim, pump on septic and two mini-splits for year-round comfort. Ample natural light fills the spaces, highlighting the fresh, open feel. Outside, the property offers a well-maintained yard and a 100ft steel seawall. Enjoy a leisurely stroll at the waters edge or venture our further on a vessel easily kept in your attached garage. No matter the time of day your view will always be captivating!
