Overview

At the end of the rainbow, you will find one of the most breathtaking views on the Highlands/Cashiers plateau from this top-floor condo that lives like a single-family home. Enjoy the exceptional long-range views from your covered deck with a cozy stone fireplace or sit out under the stars on the open deck and solve all the world's problems. This home is a top-floor unit that has hardwood floors in main living and dining room and comes with stylish high-end, custom-made furnishings with only a few exceptions. This home has a split floor plan with a master suite, master bath with double vanity, soaker tub, huge shower then a massive walk-in closet on one side of the living room, and on the other side you have two generous guest bedrooms. The living room has a great fireplace and ample room to entertain. The kitchen is open to the living area. This home comes with an extra bonus area that can be used as an office, 2nd living space or for overflow guests. Park your car in the one-car attached garage and close access to the fitness center, tennis, garden golf, and croquet. Located in Trillium, a club known for its abundance of amenities for all ages including deeded lake access - all in Trillium - Membership in the club required by seller to purchase this unit. Six month minimum rental requirements.
